4. NG COM agendas and materials have impact on regulatory duties/projects/decisions and help improving regulation in the country.

6. Have you been satisfied with online meeting operation?

7. Have you been satisfied with hybrid meeting operation?

9. What is your preferred meeting format in the future?

■ Hybrid ■ Physical

10. Please list any suggestions or additional comments to NG COM work improvement that you may have.

- *I prefer more member participation.*
- *Considering that some countries are still *catching up* with the implementation of European acquis in the natural gas sector, as well as face unique regional circumstances, would be helpful to have a focus on the implementation side (or share of experience from more experienced states) of the various natural gas market legislation (market rules, interoperability, capacity allocation and other).*

11. Have you been satisfied with NG COM Chairs?

**THANK YOU
FOR YOUR ATTENTION!**
