USEFUL INFORMATION ABOUT THAILAND

BANGKOK A COSMOPOLITAN CITY

Located on the banks of the Chao Phraya River, the bustling metropolis of Bangkok has continually welcomed visitors from all corners of the world and enthralled them with its age-old Oriental culture and mystique blended with present-day modernity. Consequently, this metropolis of diversity that is the hub of Thai society is able to cater to all interests and provide them with the opportunity to experience the element of unique “Thainess”, a sense of style found nowhere else in the world awaiting to engulf visitors.

Bangkok was designated as “World’s Most Visited City” in 2023 according to the MasterCard Global Destinations Cities Index. It never fails to impress delegates with state-of-the-art meeting venues and exceptional hotel facilities along with breathtaking sightseeing and the attractions of a unique cultural heritage. With countless delights such as the vibrant nightlife, eclectic street markets, world-class shopping centers, live boxing and much more, the city won the “Best Leisure Destination in Asia-Pacific” award in 2022 by Business Traveler Magazine for the sixth consecutive time.

CLIMATE

Bangkok has a tropical monsoonal climate with high humidity, but it is located outside the typhoon belt. Most of the country experiences three seasons, the cool season from November to January, the hot season from February to April and the rainy season from May to October. The average rainfall (mostly in the form of heavy showers in the rainy season) is 142 centimeters and the annual mean temperature is 28 degrees Celsius, ranging from a night minimum of 20 degrees Celsius in the cool season to a maximum day temperature of 38-45 degrees Celsius in the hot season. With the high humidity the weather can be oppressive, but the widespread use of air-conditioners alleviates the heat and humidity.

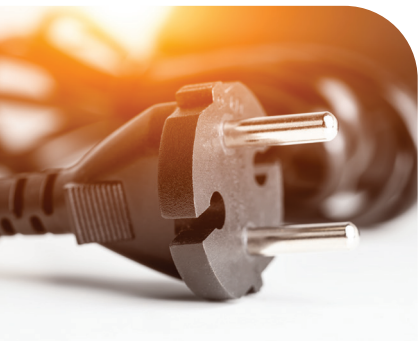

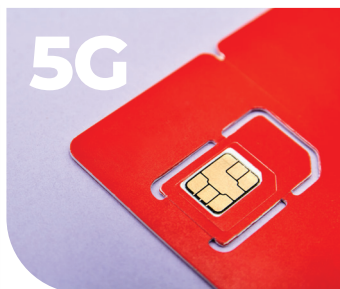

THAI CUISINE

Thai cuisine is justifiably world famous. It is a subtle and complex blend of Chinese, Indian, Malay and Polynesian influences. Seasoned with garlic, ginger and chilies, it mixes lime juice, lemon grass, fresh coriander, basil, galanga root, tamarind juice, ground peanuts and coconut milk. Dishes range from pungent curries, spicy salads, barbecued meat and seafood to mild noodle dishes that can be made spicy by adding different sauces.

TELE-COMMUNICATION

You can buy a Thai SIM card anywhere in Thailand but it is best to purchase it right at the airport and get connected right away. In most of Thailand's international airports you will see the shops of all 3 Thai mobile phone service providers just after passing the customs area. You can buy a SIM card there and the staff will help you to set up your phone.

Note: Thailand's International Calling Code is +66

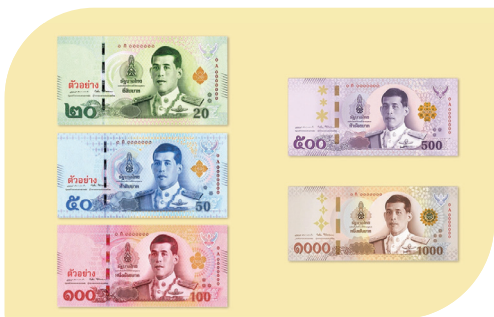

ELECTRICITY

Thailand operates on a 220V supply voltage and 50Hz.

CURRENCY

Thai currency known as Baht Thai with the symbol THB. Bank notes come with denomination of 20/50/100/500 and 1,000. Coin domination 1/2/5 and 10 THB.

MEDICAL SERVICES

First Aid will be provided throughout the meeting duration at the **Queen Sirikit National Convention Center**.

PLACES TO VISIT NEAR QUEEN SIRIKIT NATIONAL CONVENTION CENTER

BENJAKITTI PARK

The scenic space next to Queen Sirikit National Convention Center has been transformed into a full-fledged urban park with a garden forest, pool, skywalk, and recreational activities.

MRT: Queen Sirikit National Convention Center (Exit 3)

TERMINAL 21 ASOK

Terminal 21 Asok brings Tokyo, London, Istanbul, and world-famous shopping streets under one roof. Pier 21's excellent food market is reason enough to visit.

BTS: Asok (Exit 1)

MRT: Sukhumvit (Exit 3)

EMQUARTIER

EmQuartier is a chic mall in central Sukhumvit where designer labels like Dior and Chanel meet high street brands like H&M and Uniqlo.

BTS: Phrom Phong (Exit 3)

THE ERAWAN SHRINE

Formally the Thao Maha Phrom Shrine is a Hindu shrine in Bangkok, Thailand, that houses a statue of Phra Phrom, the Thai representation of the Hindu god of creation Lord Brahma. A popular worship attraction, it often features performances by resident Thai dance troupes, who are hired by worshippers in return for seeing their prayers at the shrine answered.

BTS: Chit Lom (Exit 2)

BANGKOK CHINA TOWN

Bangkok China Town is known by tourists worldwide as a source of popular street food. There are restaurants both inside buildings and set up along the road. In other words, there are all kinds of international dishes to choose from. This includes savoury dishes and various desserts.
