TRAINING COURSE: EFFICIENCY ANALYSIS IN UTILITY REGULATION

Sept 30 – Oct 1, 2025 | Riga, Latvia

COMMUNICATION STRATEGIES AND STAKEHOLDER ENGAGEMENT

COMMUNICATION STRATEGIES AND STAKEHOLDER ENGAGEMENT IN ENERGY REGULATION

May 26 – 27, 2025 | Vienna, Austria

ERRA's two-day course will cover the fundamentals of stakeholder engagement and communication focusing on stakeholder mapping, building trust through various engagement techniques, using appropriate tools and media as well as crisis communication and conflict resolution.

WHY DOES EFFECTIVE COMMUNICATION MATTER?

- ☐ Regulatory policy is complex and needs to be communicated in a manner that is understandable for a wide group of stakeholders;
- ☐ It is critically important for regulatory credibility and policy implementation;
- ☐ Communication is often overlooked, leading to resistance to regulatory policy or even failure of sector reforms.

23RD ERRA SUMMER SCHOOL: INTRODUCTION TO ENERGY REGULATION

23RD SUMMER SCHOOL: INTRODUCTION TO ENERGY REGULATION

June 30 – July 4, 2025 | Budapest, Hungary

Summer School Programme:

- **DAY 1:** COMPETITION AND REGULATION IN ELECTRICITY MARKETS
- **DAY 2:** PRICE AND TARIFF REGULATION IN THE ELECTRICITY MARKETS
- **DAY 3:** COMPETITION AND REGULATION IN THE GAS MARKETS

- **DAY 5:** SOLUTIONS IN THE ENERGY TRANSITION PROCESS

Course Director

**László
SZABÓ**

Director
Regional Centre for Energy
Policy Research (REKK)

TRAINING COURSE: EFFICIENCY ANALYSIS IN UTILITY REGULATION

NEW

The ERRA course on Efficiency Analysis will review the principles of imputing efficiency incentives in the allowed revenues and the advantages and implementation challenges of TOTEX. Theoretical foundations will be coupled with both national regulatory case studies and excel-based exercises to add to practical learning experience.

Date: Sept 30 – Oct 1, 2025

Location/format: Riga, Latvia

**THANK YOU
FOR YOUR ATTENTION!**
