LEGAL ACTIONS AND  
PROCESSES OF NRAs**

# RENEWABLE COLLECTIVE SELF-CONSUMPTION: ENERGY COMMUNITIES AND MINI GRIDS

## Objectives

- Present foundational concepts of collective self-consumption and energy communities and both differences and analogies with individual self-consumption
- Exchange knowledge on regulatory approaches to collective self-consumption and energy communities
- Compare experiences from both EU and non-EU countries, and extract regulatory recommendations.

Workshop

**RENEWABLE COLLECTIVE SELF-CONSUMPTION:  
ENERGY COMMUNITIES AND MINI GRIDS**

October 14, 2025 | Ankara, Türkiye

**SESSION 1: COLLECTIVE SELF-CONSUMPTION AND  
ENERGY COMMUNITIES: FOUNDATIONAL  
CONCEPTS OF A NOVELTY IN THE ENERGY  
SECTOR**
